

## 1095-C

Along with your 2016 W2 you will also have another document to file with your taxes, it is called the 1095-C. Below are some FAQ regarding this document.

### *What is the Purpose of the 1095-C?*

1095-C will be a document available to you at the same time your W2 is prepared and provides you with information about the health coverage offered by Havertys and, in some cases, about whether you enrolled in this coverage for 2016.

### *Where do I get the 1095-C?*

The 1095-C will be available on the same site where you view your payroll and get your W2 ([www.havertys.com/paycheck](http://www.havertys.com/paycheck)). It will be available no later than January 31, 2017. Please take a moment prior to this date to be sure you have full access to this site.

### *What do I do with the 1095-C?*

This information will assist you in preparing your tax return.

### *What if I don't Include information from the 1095-C with My Income Tax?*

Havertys is required to comply and will include the information on the 1095-C and provide to the IRS. You will not submit your 1095-C along with your tax return, it is for your records.
